

Errors reported in the GEBCO_2020 Grid in Northern Europe

Erroneous depth values (i.e. negative elevation values) have been reported in some land regions in Northern Europe.

The image below shows the regions where these values occur.

Further details about the GEBCO_2020 Grid can be found at:
www.gebco.net/data_and_products/gridded_bathymetry_data/gebco_2020/

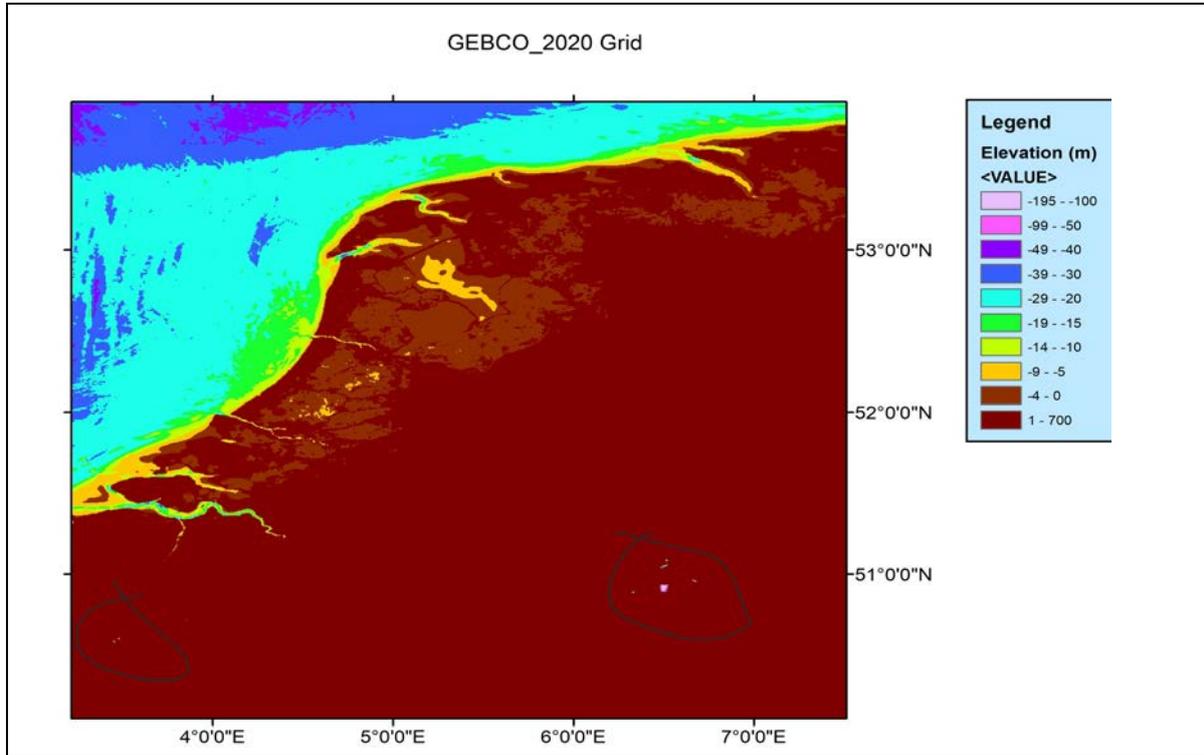

Figure 1. The GEBCO_2020 Grid for part of Northern Europe. Areas of erroneous depth values are ringed in black.
